

## CREATION PRAYER REQUESTS for AUGUST, 2018

**Wednesday, August 1** - Pray for **Nathan Siemens** (Second V-P CSSI) as he directs summer camps again this year.

**Thursday, August 2** - Pray for encouragement for Christians to read and memorize actual scripture rather than mostly busying themselves with church and religious activity. Only by knowing truth can people recognize the apostasy that has overtaken so many churches and families.

**Friday, August 3** - May God continue to strengthen and use **Dr. Gary** and **Mary Parker** in His kingdom work.

**Saturday, August 4** - Pray that new listeners will tune in to hear the "Science, Scripture, and Salvation" program sponsored by CRM on radio in Manitoba.

**Sunday, August 5** - Pray God's protection and anointing on your pastor(s) and others.

**Monday, August 6** - **CIVIC HOLIDAY**. Pray that families will spend quality time together today, not only encouraging each other but drawing closer to God as well.

**Tuesday, August 7** - CSABC director **Daniel Schnabel** is talking with his church leadership with the goal of having creation science meetings there. Pray that his discussions will bear fruit.

**Wednesday, August 8** - Pray for effective outreach by AiG's *Answers* magazine.

**Thursday, August 9** - Pray for **Shirley Dahlgren** (CSSI) that more opportunities will come to hand out Creation booklets.

**Friday, August 10** - Pray for CSAA as they prepare for the release of various science experiments (designed by **Dr. Margaret Helder**) which can be conducted in home or school.

**Saturday, August 11** - Pray for opportunities for CSAQ to reach out to the French communities in New Brunswick and Manitoba.

**Sunday, August 12** - As Bible School and Seminary professors prepare for the fall term, pray that they will realize the importance of standing firm on the Biblical record of origins and Special Creation.

**Monday, August 13** - Pray for CTM and **Vance Nelson** as he continues his research and writing activities.

**Tuesday, August 14** - Pray that the leadership team at ICR will stay in close fellowship with the Lord and His purposes for that ministry.

**Wednesday, August 15** - Ask God to bless the various activities and outreach of CMI.

**Thursday, August 16** - Expanding Youth Ministries (EYM) continues to promote creation science and distribute creation resources. Ask God to direct and bless them in their efforts.

**Friday, August 17** - **Calvin Erlendson** (CSSI) says, "Pray for my friends and evangelists, **Aaron Cross** and **John Plantz**."

**Saturday, August 18** - Pray that the *CRS Quarterly* technical journal will not only encourage Christian believers but will also be a challenge to secular scientists to consider the claims of Christ.

**Sunday, August 19** - Thank God for faithful Sunday School teachers. May they find solid curriculum materials to use and faithfully teach all of God's Word from the very first verse.

**Monday, August 20** - Pray for CSAA as they prepare membership renewal letters. Pray that the response will be positive when they are mailed early in September.

**Tuesday, August 21** - Pray for the "Peace of Jerusalem" and for God's perfect purposes to be fulfilled through the nation of Israel.

**Wednesday, August 22** - Ask God to protect and bless the creation ministry of **Spike Psarris**.

**Thursday, August 23** - Pray that "Science, Scripture and Salvation" will have many listeners in the Vancouver area as the program is broadcast on KARI in Blaine, Washington Sunday mornings. (CSABC)

**Friday, August 24** - Pray for the **Alex Scharf family** and others who are manning the CRM booth at the Morden Corn and Apple Festival today through Sunday.

**Saturday, August 25** - Ask God to give strength and wisdom to **Ken Ham** as he leads the AiG ministry.

**Sunday, August 26** - As fall programming is initiated in churches, may they include and build upon the solid foundation of Biblical special creation teaching.

**Monday, August 27** - Pray that **Rudi Fast** will continue to give his Christian and creation testimony to all he comes in contact with.

**Tuesday, August 28** - Pray for Christian parents to see that parenting their own children is much more important than the affairs and pleasures of this life. Pray that their eyes would be opened to the world's influences and how to keep their children from being shaped by them.

**Wednesday, August 29** - As teachers return to their classrooms, pray that they will be aware of the scientific evidences for creation (as opposed to evolution) and be able to share some of that information with their students.

**Thursday, August 30** - **Lise Vaillancourt** is organizing a creation tour to Kentucky with CSAQ. Pray that there will be enough participants for the event to happen and that all will be encouraged and blessed

**Friday, August 31** - Pray for effective use of the teaching opportunities that will open up to **Vance Nelson** (CTM) this fall and winter.
