

CREATION PRAYER REQUESTS for AUGUST, 2017

Tuesday, August 1 - Pray for the "Peace of Jerusalem," and for Israel and its people. They still have a key role to play in God's purposes as we rapidly approach the end of this age.

Wednesday, August 2 - CSSI is hoping to have a booth at a major fall fair in Regina (not yet confirmed at the time of making this calendar). Pray that if this is God's will, that the door will open and that there will be sufficient support, personnel, and resources to make it happen for His glory.

Thursday, August 3 - Ask God to continue to use the resource materials of UTT to challenge the deceived and encourage true believers.

Friday, August 4 - Pray for **Vance & Korelei Nelson & Family** - for strength and wisdom - as they minister at Cypress Hills Camp this long weekend.

Saturday, August 5 - Pray for effective outreach by the 'Science, Scripture, and Salvation' program from ICR sponsored on a couple of stations in Manitoba by CRM.

Sunday, August 6 - How frustrating it is to see the multitudes in evangelical churches today being led into compromise and error. Ask God to draw many back to Biblical truth.

Monday, August 7 - CIVIC HOLIDAY. Pray that many people will use at least part of this day to draw closer to God and to reflect on His will for their lives.

Tuesday, August 8 - The Canadian Network of Ministries to Muslims in Regina (and other Canadian cities) is reaching out with Christian love to Muslim immigrants. Ask God to open minds and hearts to understand and receive the forgiveness and healing Christ offers. Pray for **Harold Lutzer** and others involved in this ministry.

Wednesday, August 9 - May God encourage **Calvin Erlendson** (CSSI) by helping him to see fruit for his loving and faithful service to God.

Thursday, August 10 - Pray for CMI-C's Creation Super Conference August 13-18. This is the 6th conference at Muskoka Bible Center since 2000. Pray that those who can attend will be encouraged in their faith and equipped to share Biblical truths with others.

Friday, August 11 - Ask God to raise up more young, committed believers to take up the mantle in the various creation ministries across our land and beyond.

Saturday, August 12 - Ask God to strengthen the Christians who work in the scientific sphere, where pressures to accept the evolutionist dogma are very great. May they remember that God's Word is true and that it is worthwhile to stand on this Truth. (CSAQ)

Sunday, August 13 - Pray that the leadership in Bible Colleges and Seminaries will be willing to reject compromise and extra-biblical teachings, and focus on The Truth written in God's Word, the Holy Bible.

Monday, August 14 - Thank God for CSABC membership secretary, **Sabrina Fast**. Pray that the Lord will encourage Sabrina in her work for CSABC and in her personal life.

Tuesday, August 15 - Ask the Lord to give CORE renewed vision and energy to carry on the work He has called them to do.

Wednesday, August 16 - Thank God for the faithful workers in CSAA. Pray for new, younger, workers to join their ranks.

Thursday, August 17 - Pray for **Shirley Dahlgren** (CSSI) as she looks for opportunities to share Creation booklets and as she shares the Creation message with friends and family.

Friday, August 18 - Pray for the **Scharfs** and others working at the CRM booth at the Morden Corn and Apple Festival. Pray that many people will show interest in their materials and that they will be drawn to consider the claims of Christ as a result.

Saturday, August 19 - Pray for sufficient financial support for ICR to continue their regular scientific research as well as to develop their ICR Discovery Center project.

Sunday, August 20 - The Creation and Discernment movements have been saddened by the recent death of several key workers. Others such as **Warren Smith** have experienced severe health issues and other Satanic attacks. Pray God's protection on all these people until their work on earth is truly finished.

Monday, August 21 - Pray for **James Gardner** and those serving with him under Canopy Ministries in the USA. May their work be anointed by God and used for His glory.

Tuesday, August 22 - Pray God's blessing on AiG's *Answers* magazine to strengthen believers and to challenge those God wants to draw unto Himself through it.

Wednesday, August 23 - Ask God to protect all the workers serving through UTT's Bryce Homes International and to supply the needed financial support for that outreach.

Thursday, August 24 - Pray for high profile and well known evolutionists that they would be delivered from 'spiritual deception' and would see the truth of the Biblical world view.

Friday, August 25 - Pray for **Rudi Fast** (CSSI).

Saturday, August 26 - Pray that God will draw into saving faith the many secular politicians across our land and around the world. Pray special wisdom and strength on Christians serving in the political realm.

Sunday, August 27 - Pray that the spiritual fruit produced at the many camping programs this summer will be preserved by the Holy Spirit for eternity.

Monday, August 28 - Pray for **Barb Churcher** as she starts up her meetings again in the fall on the fourth Saturday of each month at Willingdon Church (Burnaby, BC). Pray that the interest in the meetings will continue and that those attending will be encouraged.

Tuesday, August 29 - Ask God for openings in New Brunswick for CSAQ to do some ministry among the French speaking population there.

Wednesday, August 30 - Pray for the Alien Intrusion movie being produced by CMI-USA - for a smooth post-production and a release to theaters that would impact many people.

Thursday, August 31 - As students return to the classrooms this fall, pray that the faith of believers will be protected and that many others will be challenged to consider the claims of Christ.
