

## CREATION SCIENCE Prayer Requests for February 2018

**Friday, February 2** - Pray that **Garry and Barbara Miller** would be sensitive to the Lord's leading and depending on His strength in their service through CSSI.

**Saturday, February 3** - Praise the Lord for the Moose Jaw Home School Families who are keen to learn more about Creation science and other related topics such as Noah's flood where scientific studies demonstrate the truth of Biblical history.

**Sunday, February 4** - Pray that God would move the hearts of many pastors and church leaders to consider reading the Lighthouse Trails booklets so they might make more informed decisions.

**Monday, February 5** - Pray that we will know how to share the gospel with the immigrants who have joined our communities. 87 countries are represented in Winkler, Manitoba's population! (CRM)

**Tuesday, February 6** - Pray that somehow our judiciary would realize that to maintain a 'just society', the rule of law needs to be based on the absolute standards of our Eternal Creator as revealed in the Holy Bible.

**Wednesday, February 7** - Pray that the CSABC resource centre will continue to be a means of getting resources to home schoolers, Christian schools and Sunday schools.

**Thursday, February 8** - Pray for families who are reading, studying, and memorizing scripture passages related to Creation, in preparation for the annual Creation Celebration, March 9-10. Pray that parents will recognize that our world view affects every part of life, with creation being foundational. (CSSI)

**Friday, February 9** - Ask God to continue to bring in support for the UTT Bryce Homes ministry to orphans and widows in several needy areas of our world. Pray God's protection and blessing on all the people working 'on the ground' to deliver this program.

**Saturday, February 10** - Pray for a timely completion of ICR's 'museum' project that it might begin pointing many people to our Creator and Saviour.

**Sunday, February 11** - Pray that the directors of the many and varied Christian camping programs being planned for this summer will realize the dire need to build their teachings on a Biblical Creation foundation.

**Monday, February 12** - Pray for **Shirley Dahlgren** (CSSI) as she passes out Creation booklets and shares Creation with family and friends.

**Tuesday, February 13** - Ask God to continue to bless and use the *Creation* magazine produced and distributed by CMI to challenge not-yet-believers and encourage already-believers.

**Wednesday, February 14 - VALENTINE'S DAY.** Today our society celebrates Love, but it is the human, romantic love which is but a shadow of the true Divine LOVE God has for us. Pray for the lost of this world that they would experience that LOVE that is demonstrated in the free offer of salvation to all who will accept it by faith.

**Thursday, February 15** - Ask God for good health for the members of CSAQ's board and their families.

**Friday, February 16** - May God continue to bless the production and distribution by AiG of their *Answers* magazine to help transform lives.

**Saturday, February 17** - Pray for CORE and **Ian Juby** as they produce and distribute the weekly TV program, *Creation Week*. May God use it to touch many lives.

**Sunday, February 18** - Pray for hearts and minds to be open to the truth of creation not only in the general public, but especially among pastors and others in Christian leadership.

**Monday, February 19** - Pray that Christian grandparents will be moved to faithfully uphold in prayer the children in their sphere of influence. Pray they will take their responsibilities seriously, (note Deuteronomy 6:2), even as Satan tries many ploys to dissuade young people from following the Lord.

**Tuesday, February 20** - Pray for strength for those Christians who are growing faint and ask the Lord to keep them faithful to Him.

**Wednesday, February 21** - Pray for **Calvin Erlendson** and his service to God and CSSI.

**Thursday, February 22** - Pray for CSAA as they staff a booth at Missions Fest in Edmonton over the next three days. With long hours, they need good volunteers who can speak to Christians, many of whom have never heard about the importance of Creation.

**Friday, February 23** - Saskatchewan Home Based Educators' annual convention is today and tomorrow in Regina. Pray for the attendees, speakers, and vendors to be touched by the Hand of God.

**Sunday, February 25** - Pray for a significant, lasting impact on the many young lives being touched by faithful Sunday School teachers who share the love of God and the Truth found in His Word, the Bible.

**Monday, February 26** - Pray for our elected representatives at all levels of government, that they would make decisions such that we may lead “quiet and peaceable lives.”

**Tuesday, February 27** - Pray that **Rudi Fast** (CSSI) will be able to hand out Creation materials to the men who attend his weekly Wednesday AM prayer time in Moose Jaw.

**Wednesday, February 28** - The evil influence of much of our media today is frustrating and disturbing. Pray that God might somehow rule and overrule in this and other areas of our society.
