

## CREATION PRAYER REQUESTS for JANUARY, 2017

**Sunday, January 1 - NEW YEAR'S DAY.** Praise God that He has allowed us another year to try to reach the lost of this world with the salvation message, from Creation, to the Cross, to the Consummation of all things.

**Monday, January 2** - As we begin this new year, let us examine before the Lord our own beliefs, motives, and actions, and make the needed corrections He reveals to us.

**Tuesday, January 3** - Thank God for the ministry of **Dr. G. Thomas Sharp** in Regina in October. Ask God to continue to bless his service and to preserve the fruits of his labours.

**Wednesday, January 4** - Pray that our Creator and Lord would be honoured and glorified in all that **Keith Miller** (President of Creation Science of Saskatchewan Inc. - CSSI) does in His service, in whatever time we have left in this world.

**Thursday, January 5** - Pray that the *Creation Dialogue* sent out recently by the Creation Science Association of Alberta (CSAA) may be a blessing to many. It includes two interesting articles from Jerry Bergman (each quite different), a book review on **Dr. Margaret Helder's** new book *No Christian Silence on Science*, and a report on the first of four very interesting lectures which **Dr. John Baumgardner** delivered in Edmonton at the end of October.

**Friday, January 6** - Pray for Creation Science Association of British Columbia (CSABC) director **Marilyn Carter**, as she looks for volunteers to staff the booth at Missions Fest Vancouver. Pray that sufficient volunteers will be found to cover all three days of the conference.

**Saturday, January 7** - Praise God for the addition of a 6th Canadian speaker for Creation Ministries International-Canada (CMI-C). Pray that this would lead to more events and more people being strengthened in their faith.

**Sunday, January 8** - Ask for God's anointing and leading on your Pastor(s).

**Monday, January 9** - Pray for everyone in Creation Resources Manitoba (CRM) involved in planning and leading the outreach event planned for Morden, MB on January 20.

**Tuesday, January 10** - Ask God to bless **Laurence Tisdall**, President of the Creation Science Association of Québec (CSAQ), in his personal and professional life as well as in his ministry.

**Wednesday, January 11** - Pray for good utilization of the Creation resources given as Christmas gifts last month. Also pray that many more people will find and use these helpful materials.

**Thursday, January 12** - Pray for God's protection and strength on **Dennis Kraushaar** (1<sup>st</sup> VP of CSSI) as he serves our wonderful Creator.

**Friday, January 13** - Pray for strength, protection, and anointing on Understand the Times (UTT) leader, **Roger Oakland**, as he travels to India this month to minister.

**Saturday, January 14** - Ask God to encourage and guide the leadership of the Citizens for Origins Research and Education (CORE) group in the Ottawa area.

**Sunday, January 15** - Pray for the outreach conversations The Gideons had at Agribition in Regina in November. Pray that the Bibles, New Testaments, tracts, and godly conversations will continue to convict and bear fruit.

**Monday, January 16** - Pray that the new time (Sundays at 8:30 am) for 'Science, Scripture, and Salvation' on radio KARI 550, heard in the greater Vancouver area and sponsored by CSABC, will result in more listeners to the program.

**Tuesday, January 17** - Thank God for all the godly workers at the Institute for Creation Research (ICR) in Texas. Ask God to protect, bless, and guide each of them for His glory.

**Wednesday, January 18** - Pray for Christian young people that they will stay true to the Creation and Gospel message.

**Thursday, January 19** - Many youth in our country today are living in hopelessness and despair, with too many even ending their own lives. Pray that Christians will show them the only true hope which is found in Jesus Christ.

**Friday, January 20** - As the new USA President, **Donald Trump**, takes office, pray he will recognize and fulfill his role in God's providential plan for humanity.

**Saturday, January 21** - May God mightily use the Answers in Genesis (AiG) Ark Encounter theme park in

Kentucky to encourage many believers and to challenge unbelievers to consider the claims of Christ on their lives.

**Sunday, January 22** - Pray for our political leaders, that they would come to saving faith and receive divine wisdom in their decisions and global roles.

**Monday, January 23** - Uphold in prayer **Nathan Siemens** who has assumed the role of 2<sup>nd</sup> Vice-President of CSSI.

**Tuesday, January 24** - Pray that the new book by **Dr. Margaret Helder**, *No Christian Silence on Science: Science from a Christian Perspective*, may be a blessing to many. The book's objective is to show that science, when critically evaluated, does not threaten a biblically based understanding of how we came to be here.

**Wednesday, January 25** - Pray for the people in Expanding Youth Ministries (EYM) who are leading a creation-based youth meeting in Saskatoon the last Friday of each month.

**Thursday, January 26** - Pray that CSAQ will have opportunities to encourage pastors and equip them with quality resources on Creation.

**Friday, January 27** - CSABC has a booth at Missions Fest Vancouver this weekend. Pray for tact and wisdom for the members that staff the booth since more and more Christians oppose the 6-day biblical creation and 'young earth' position.

**Saturday, January 28** - Pray that many unbelievers will 'happen' to tune in to the 'Science, Scripture, and Salvation' radio program being sponsored on three stations in Manitoba by CRM and be challenged to consider the Christian faith.

**Sunday, January 29** - Pray that the ministry programs being adopted in many churches in this new year will be based on Special Creation as revealed in the Holy Bible.

**Monday, January 30** - Pray that teachers in both Christian and secular schools will find ways to present the creation alternative to the evolutionary indoctrination so prevalent today.

**Tuesday, January 31** - Ask for a fresh anointing of the Holy Spirit on **Garry Miller** as he seeks to serve his Lord through CSSI and in other ways.
