

## CREATION PRAYER REQUESTS for JULY, 2017

**Saturday, July 1 - CANADA DAY.** Our wonderful country has drifted sooooo far from its Christian roots. Pray that God would somehow draw us back to His will and ways.

**Sunday, July 2** - If some churches are still looking for summer pulpit supply, pray that they will look to the creation science ministries to help meet those needs.

**Monday, July 3** - Pray that vacation time will not just be a holiday but a time to strengthen family relationships and grow in the Lord.

**Tuesday, July 4** - Pray that **Keith Miller** would receive renewed vision and joy in his involvements with Creation Science of Saskatchewan Inc. (CSSI).

**Wednesday, July 5** - Pray for the completion of Season 7 of Creation Ministries International's (CMI's) Canadian-produced TV show Creation Magazine LIVE! This season involves a completely new studio and significant technical updates resulting in a higher quality program.

**Thursday, July 6** - Pray for Creation Resources Manitoba (CRM) and **Alex & Velma Scharf** who head up that ministry in Manitoba.

**Friday, July 7** - Pray for Creation Science Association of Québec's (CSAQ's) annual member reunion that will be held tomorrow. May the members and administrators be encouraged and guided by God to enter into His plans for the year to come.

**Saturday, July 8** - Pray for **Dr. Gary & Mary Parker** in their creation ministries. Pray that Gary will be able to record more of his vast creation knowledge in a format suitable for future use.

**Sunday, July 9** - Pray that all Christian camping programs will build on a solid creation foundation and produce fruit lasting for eternity.

**Monday, July 10** - Uphold in prayer **Dr. Margaret Helder** as she continues to lead the Creation Science Association of Alberta (CSAA).

**Tuesday, July 11** - The Answers in Genesis (AiG) Ark Encounter project has been open for a year now. Pray that it will have a growing and lasting impact for Truth and God's glory.

**Wednesday, July 12** - Pray for **Dennis Kraushaar** (CSSI).

**Thursday, July 13** - Creation Science Association of British Columbia (CSABC) director **David Lashley** had bypass surgery in April. Pray that healing will be complete and that David will soon be able to resume normal activities.

**Friday, July 14** - Pray for **Ian Juby** and the board of Citizens for Origins Research and Education (CORE) serving in the Ottawa, Ontario area.

**Saturday, July 15** - Our world seems to be changing faster and faster. Pray that Creation and other Christian organizations would be sensitive to God's leading to be effective in our culture.

**Sunday, July 16** - As pastors and churches plan their fall programing, pray that it will include teaching on the solid Biblical Creation foundation.

**Monday, July 17** - Pray for the Understand the Times (UTT) ministry. Pray especially for its founder and President, **Roger Oakland**, as he prepares to speak at the CSSI family camp July 24-29.

**Tuesday, July 18** - Thank God for the Institute for Creation Research (ICR) in Texas. Pray that the many credentialed scientists who work there will be able to present solid scientific evidence which confirms the truth of God's written Word.

**Wednesday, July 19** - Pray for our law enforcement personnel as they face an increasingly difficult task in today's world of terrorist attacks and increasing lawlessness.

**Thursday, July 20** - Remember in prayer, **Garry & Barbara Miller** (CSSI) as they prepare to direct and teach at the upcoming CSSI creation camp.

**Friday, July 21** - Pray for long-term impact for the youth attending CMI's Youth Apologetics Boot Camp July 23-28 that students will be able to defend the accuracy of Scripture in university through this joint ministry effort.

**Saturday, July 22** - Pray for **Eunice Fisher** and her helpers serving in the kitchen at the CSSI camp next week. Pray also for all the kitchen staff at the various Christian camps.

**Sunday, July 23** - Pray that Sunday School teachers will be ordering and using curriculum based on a solid creation understanding of the Bible.

**Monday, July 24** - Pray for safety and prepared hearts for the many campers traveling to the CSSI Creation Family Camp today. Ask God to strengthen and protect each one attending the camp, especially the speakers (**Roger Oakland** and **John Plantz**) and camp workers.

**Tuesday, July 25** - Pray for CSAQ as they plan creation based lessons for children.

**Wednesday, July 26** - Pray God's spiritual protection and anointing on **David** and **Deborah Dombrowski** and the others working at the discernment ministry, Lighthouse Trails, in Montana.

**Thursday, July 27** - Uphold in prayer, **Dr. G. Thomas Sharp**, and his associates in the Creation Truth Foundation organization as they continue to share the evidences for Special Creation.

**Friday, July 28** - Remember **Nathan Siemens** (CSSI) in prayer as he is program director at a northern camp again this summer.

**Saturday, July 29** - Pray for the CSSI campers as they return home today. Pray for safety in travel and most importantly for a lasting impact in each life.

**Sunday, July 30** - Pray for **George Pearce** (CSABC) as he speaks in Kamloops (BC) today and all this week at the Creation Discovery Science Camp. Pray for camp director, **Sandra Cheung**, and all the camp workers.

**Monday, July 31** - The world's political and religious leaders have a very difficult responsibility in this day and age. Pray that they will look to the God of the Bible for wisdom and that He will direct them to accomplish His purposes for mankind.
