Wednesday, October 19 - Pray for **Dennis Kraushaar** (CSSI) and his family as they are carrying some heavy burdens in these days.

Thursday, October 20 - **Dr. John Baumgardner** will be speaking in the greater Vancouver area over the next three days. Pray that the attendees will be challenged and encouraged by the information presented in the lectures.

Monday, October 24 - The Institute for Creation Research (ICR) in Texas has several highly-qualified scientists working there such as **Dr. Randy Guliuzza**. Pray God's blessing and protection on him and his work.

Tuesday, October 25 - Ask God to clearly reveal His will and purposes for the Citizens for Origins Research and Education (CORE) group in the Ottawa area.

Wednesday, October 26 - It is easy to be critical of our political leaders (especially when we disagree with them on some issues) but God's Word instructs us to uphold them in prayer and to obey them as long as their dictates are NOT contrary to His Instructions.
