

CREATION PRAYER REQUESTS for SEPTEMBER, 2017

Friday, September 1 - Ask God to use the *Creation Science Dialogue* produced and distributed by CSAA for His glory and to draw unbelievers into saving faith.

Saturday, September 2 - Pray for new support and volunteers for Creation organizations around the world.

Sunday, September 3 - Pray that Youth Pastors and workers will see the need to provide Christian youth with Biblical answers and materials to counteract the pervasive influence of the world's secular and evolutionary indoctrination process.

Monday, September 4 - LABOUR DAY. Most people have to work to provide a living for themselves and their families (a clear Biblical teaching - II Thess. 3:10). Pray that they will realize that they also need to work at serving the King of Kings.

Tuesday, September 5 - Pray for **Don Hamm** (CSSI).

Wednesday, September 6 - Pray that the monthly Creation advertisement in the Winkler Morden Voice newspaper will challenge the thinking of many who see it. (CRM)

Thursday, September 7 - Pray that the Creation Research Society (CRS) and those serving with it will be effective in challenging secular scientists to seriously consider the Christian world view and the claims of Christ on individual lives.

Friday, September 8 - Pray for the ongoing translation work by CMI volunteer translators globally. Web articles, and video dubbing and subtitles are the main focus of the translation work.

Saturday, September 9 - Pray that families that have taken up the challenge of home-based education in today's world will find the necessary resources to produce God-honoring results in their children's lives.

Sunday, September 10 - Pray for **Kent Goodnough's** monthly outreach ministry to youth and others in Saskatoon using the creation message.

Wednesday, September 13 - Pray for **Steve Lockert** (CSSI).

Thursday, September 14 - Pray for CMI-C's tour in the Regina, Saskatchewan area this week with speaker **Thomas Bailey**.

Friday, September 15 - Pray for **Julia Serup** and **Robert Van Oort** as they plan meetings with **Spike Psarris** in Prince George (BC) and Quesnel (BC) in October.

Saturday, September 16 - Pray that students at every level of education would have an opportunity to be exposed to the errors of evolution and the scientific truth that confirms Biblical Creation.

Sunday, September 17 - As students are off attending Christian colleges again this fall, may they all be firmly grounded in Biblical Truth and strengthened in their walk with the Lord.

Monday, September 18 - Pray that the CORE group in Ontario will find new and creative ways to increase their outreach and influence for the glory of God.

Friday, September 22 - Pray for the EYMI fall banquet to be held in Saskatoon on Friday, October 6.

Saturday, September 23 - Pray for **Janathan Nicol** (CSAQ) who will be giving conferences in Verdun (Quebec) today and tomorrow.

Sunday, September 24 - Thank God for the freedoms and blessings we still enjoy in our country. Pray that as Christians we may be prepared for the more difficult times that may soon come upon us.

Monday, September 25 - Pray for the needed workers and financial support so that CRM can accomplish all the Lord would have them do.

Tuesday, September 26 - Pray that the various creation ministries, both large and small, will be kept by God's Spirit from being deceived and drifting into error or "the ways of the flesh."

Wednesday, September 27 - We are often more inclined to pray for federal and provincial politicians but municipal, school board, and other such local officials also have important roles to play. Uphold them in prayer today and often.

Thursday, September 28 - Ted Goodnough and the Discerning the Times board are sponsoring a special conference on “The History of the Church and the Bible” in Saskatoon over the next two days. Pray God’s blessing on this new venture and for lives to be changed by it.

Friday, September 29 - Pray for **Dennis Siemens** (CSSI).

Saturday, September 30 - Pray for the **Foremans** as they update some of the Creation Celebration components to more effectively encourage parents to educate their families in Biblical truth. Pray that more parents will understand the nature of our times so that they become serious about their role in preparing their own children.
